

**Why is SC not joining 19 other states  
to help protect South Carolinians  
and small businesses  
from ESG social credit scoring?**

I ask Gov. Henry McMaster of SC  
to please join the courageous governors of  
AL, AK, AR, FL, GA, ID, IA, MS, MO, MT, NE, NH,  
ND, OK, SD, TN, UT, WV, and WY  
in their **cross-state cooperative effort.**

**Please help shield SC  
from the devastating effects of ESGs.**
